It's A-OK...
From the comfort of your room watch the lift-off of MOONSHOT, a manned journey to the moon. Imagine the thrill, you are there, seeing it "live." FULL TOUR OF JOHN F. KENNEDY SPACE CENTER. Frequently scheduled bus tours, both morning and afternoon, cover the entire Cape Kennedy complex and can be boarded just five minutes (3 miles) from the motel. IN ADDITION, there is so much to see you will want to spend some extra time to enjoy more of this fascinating country.
